

Review Criteria for SRI Proposals

Proposal Team: _____

Host Institution: _____

The proposal evaluation process will be guided by several criteria each of which will be scored by raters using a point system. Please note that criteria have variable point values. Higher scores indicate a better rating.

| Review Criterion (Available points) | Score | Rater Comments |
|--|--------------|-----------------------|
| Qualifications of the organizer(s) (20) | /20 | |
| Host institution: capacity and demonstrated commitment to host the SRI (20) | /20 | |
| Potential to support development of doctoral student research practices including those related to research design, research methods and communication of research. (10) | /10 | |
| Potential to support doctoral student understanding of the science education research community and their positioning within the community (10) | /10 | |
| Potential to develop networks of emerging and established researchers in science education (10) | /10 | |
| Organization and structure of the proposed program (20) | /20 | |
| Plans for recruiting and selecting student participants (10) | /10 | |
| Plans for recruiting and selecting faculty mentors (10) | /10 | |
| Suitability of the facilities facilities (10) | /10 | |
| Evaluation plan (10) | /10 | |
| Budget plans (including reasonable student expenses) (20) | /20 | |
| Total | /150 | |
