Dear NARST Members:

We take great pleasure in announcing the opening of the 2018-2019 elections for leadership positions for *NARST: A Worldwide Organization for Improving Science Teaching and Learning through Research*. Following the NARST 2016 Bylaws (accessible on the NARST website), current members of NARST are encouraged to nominate potential candidates for offices by following a simple nomination procedure (*see below*). **Two NARST Directors-at-Large, One Graduate Student Board Member and President-Elect** will be elected (see NARST 2016 Bylaws on NARST website for position information). We invite you to help us advance and improve NARST by soliciting the participation of dedicated and effective leaders. This letter provides the basic information about the election process and encourages you to nominate yourself or qualified colleagues for offices.

Nomination Procedure

According to the Bylaws of NARST, the nomination process begins by members (nominators) generating a petition nominating a potential candidate (themselves or another NARST member). The petition, formal letter or email message, should include a brief statement of support for the prospective candidate and the signatures of at least ten (10) Association members in support of the nomination. The Bylaws read:

“Association members may offer potential nominees for consideration by the Elections Committee by forwarding a petition to the Chairs of the Elections Committee. Each petition must be signed by at least ten (10) Association members” (NARST Bylaws, February 2016, Article IV, Section 9).

In accordance with the Bylaws, please take note of the following requirements:

- Candidates for all positions must be current and active NARST Members.
- Candidates should be members with an outstanding research record.

Procedure to Select Nominees for Slate of Candidates:

After the applications are received and checked for completion, the Elections Committee reviews the nominations in order to provide the membership with **at least 2** qualified candidates per available position. The Committee uses the Assessment Rubric for Elections to review each nominee’s application packet. Four criteria are used: (a) research and publication record, (b) history of attendance and contributions at the annual international conference, (c) history of leadership in NARST, and (d) potential leadership in NARST. The Assessment Rubric is attached and is available on the NARST website. Upon reviewing the nominees’ application packets, the nominees with highest combined rubric scores are selected for recommendation to the Board. After confirming their willingness to run for office, the Elections Committee Co-chairs will submit a recommended slate of at least two nominees for each open position to the Board Liaison who will present the slate to the NARST Board of Directors for approval to advance to candidacy.

Thank you for your careful consideration and active participation in the nomination and election process.
